## ABOUT OUR COLLEGE

Jabalpur Institute of Nursing Sciences and Research firmly upholds the belief that education is the foundation of economic progress and societal empowerment. The institution is dedicated to transforming lives by expanding access to quality nursing education, particularly in small towns and rural communities, where countless young women aspire to achieve professional excellence and contribute meaningfully to society. Also it 1st NAAC accredited nursing college and ISO Certified.

As the first nursing institution in the Mahakoshal region, we celebrate 25 years of distinguished service. We are proud to be the region's first NAAC-accredited and ISO-certified nursing college. Our mission is to deliver holistic, competency-based education, blending theoretical knowledge with clinical expertise and compassionate care.

## ABOUT HITKARINI SABHA

Founded in 1868, Hitkarini Sabha is a cornerstone of education and social reform in Madhya Pradesh. Beyond academics, we focus on instilling national pride and professional etiquettes in students. Our rich history is intertwined with India's journey toward independence, aiming to create a generation that is educated, cultured, and self-reliant.

## ABOUT IQAC

The Internal Quality Assurance Cell (IQAC) ensures and enhances the quality of education and institutional processes. It fosters excellence by promoting innovative teaching, research, and adherence to accreditation standards. Through best practices and assessments, IQAC drives institutional growth and academic improvement, ensuring consistent and effective quality enhancement

## BENEFITS

- FDPs introduce modern teaching methodologies, including technology-driven and to create engaging, student-centered learning experiences.
- They help nursing faculty bridge the gap between academic knowledge and clinical practice, ensuring teaching is current and evidence-based.
- Programs cultivate leadership skills, mentorship capabilities, and better communication, enabling faculty to manage educational challenges and guide students effectively.
- FDPs boost overall performance, foster a culture of continuous improvement, and increase job satisfaction, which helps in retaining faculty.
- Better trained faculty directly correlate to improved student proficiency in clinical skills, leading to better patient safety and quality of care.
