

## About the Faculty Development Program

The 5-Day National Virtual Faculty Development Programme (FDP) on "Developing Professional Competence in Nursing Faculty for Outcome-Based Semester Learning" is designed to equip nursing educators with the knowledge, skills and competencies required for the effective implementation of Outcome-Based Education (OBE) within the semester system. The programme focuses on curriculum planning, competency-based education, innovative teaching-learning strategies, outcome-based assessment, grading and credit systems, academic documentation, clinical competency assessment and faculty mentorship. Through expert sessions and hands-on activities, participants will gain practical experience in designing learner-centered educational practices that promote academic excellence and quality nursing education.

### Objectives

- To strengthen understanding of Outcome-Based Education (OBE) and the semester system in nursing education.
- To enhance competency in curriculum planning, competency-based education and student mentorship.
- To develop innovative teaching-learning and outcome-based assessment strategies.
- To build faculty competency in grading, credit systems and academic documentation.
- To strengthen clinical teaching, competency-based clinical assessment and professional leadership among nursing educators.

### Target Audience

- Nursing faculty members.
- Professors, Associate Professors, Assistant Professors, Lecturers, Tutors and Clinical Instructors.
- Principals, Vice-Principals, Heads of Departments and Academic Coordinators.
- IQAC Coordinators and curriculum planners.
- Postgraduate nursing students and research scholars aspiring to academic careers.
- Faculty members from allied health sciences interested in Outcome-Based Education (OBE).

### About Us

Jabalpur Institute of Nursing Sciences and Research firmly upholds the belief that education is the foundation of economic progress and societal empowerment. The institution is dedicated to transforming lives by expanding access to quality nursing education, particularly in small towns and rural communities, where countless young women aspire to achieve professional excellence and contribute meaningfully to society. Also it 1st NAAC accredited nursing college and ISO Certified.

As the first nursing institution in the Mahakoshal region, we celebrate 25 years of distinguished service. We are proud to be the region's first NAAC-accredited and ISO-certified nursing college. Our mission is to deliver holistic, competency-based education, blending theoretical knowledge with clinical expertise and compassionate care.

### About Hitkarini Sabha

Founded in 1868, Hitkarini Sabha is a cornerstone of education and social reform in Madhya Pradesh, celebrating 157 years of educational excellence. Beyond academics, we focus on instilling national pride and professional etiquettes in students. Our rich history is intertwined with India's journey toward independence, aiming to create a generation that is educated, cultured, and self-reliant.

### About IQAC

The Internal Quality Assurance Cell (IQAC) ensures and enhances the quality of education and institutional processes. It fosters excellence by promoting innovative teaching, research and adherence to accreditation standards. Through best practices and assessments, IQAC drives institutional growth and academic improvement, ensuring consistent and effective quality enhancement.
